Dear Parents:

May 02, 2018

With the cold weather hopefully behind us, let's think summer! It's time to register for our SUMMER CAMP PROGRAM. The program consists of indoor and outdoor activities, crafts, and water-play. We also have air-conditioned classrooms for the children to play in on those overly hot days.

The program this year runs for ten (10) weeks beginning June 18 - August 20, This year we will be adding a daily rate for those children wishing to attend, or on a day to-day basis rather than weekly. Full day campers will have time for rest.
* Snacks and lunch* are to be provided by parents, unless otherwise noted.

A registration form is on the back which details the fees. Please indicate which weeks you are interested in. You may choose any or all of the weeks available. If you are interested, please return this form to school as soon as possible so that we may get an accurate count. If you have any questions, please feel free to contact one of us at any time.

Sincerely,
Ms. Sue.
