At the Academy at St. Mary you are not just a student, you are a part of a large family and community who puts the best interest of their students first. The Academy at St. Mary provides a nurturing environment that not only educates at the highest level, but teaches life skills that help children grow into mature, caring adults.” — Rose Ravennati, 6th Grade Parent

“The Academy at Saint Mary is more than just a school, it’s a family. I love how all the grades interact and get along and work together.” – Dina Ford, 2nd & 3rd Grade Parent

“I really love how communicative my daughter’s teacher is with the parents. She sends home weekly newsletters that allow me to reinforce at home the lessons that were learned in the class. I also love that the school’s principal greets each and every child by name at drop-off each morning and takes the little ones into the school by the hand. Although there are other educational options in town, I am 100% confident that the Academy is the best possible place for our daughter. – Julie Doherty, Pre-K Parent
